A	Polishing Works					
1	Providing skilled manpower and adequate machinery and tools for profile polishing works which includes pre-grinding, grinding, polishing of surface, design, bullnosing, special profile, edge and corner tool works, buffing and sealant application with different types of grinding media using special tools and machinery. UPAPEETHA					
	Approx Qty	RMT	364.00			
2	Providing skilled manpower and adequate machinery and tools for profile polishing works which includes pre-grinding, grinding, polishing of surface, design, bullnosing, special profile, edge and corner tool works, buffing and sealant application with different types of grinding media using special tools and machinery. PADUKE					
	Approx Qty	RMT	144.00			
3	Providing skilled manpower and adequate machinery and tools for profile polishing works which includes pre-grinding, grinding, polishing of surface, design, bullnosing, special profile, edge and corner tool works, buffing and sealant application with different types of grinding media using special tools and machinery. JAGATHI KUMUDA					
	Approx Qty	RMT	22.00			
4	Providing skilled manpower and adequate machinery and tools for profile polishing works which includes pre-grinding, grinding, polishing of surface, design, bullnosing, special profile, edge and corner tool works, buffing and sealant application with different types of grinding media using special tools and machinery. JAGATHI KUMUDA MOOLE					
	Approx Qty	RMT	14.00			

5	<p>Providing skilled manpower and adequate machinery and tools for profile polishing works which includes pre-grinding, grinding, polishing of surface, design, bullnosing, special profile, edge and corner tool works, buffing and sealant application with different types of grinding media using special tools and machinery.</p> <p>JAGATHI KUMUDA NASIKA</p>					
	Approx Qty	RMT	14.00			

6	<p>Providing skilled manpower and adequate machinery and tools for profile polishing works which includes pre-grinding, grinding, polishing of surface, design, bullnosing, special profile, edge and corner tool works, buffing and sealant application with different types of grinding media using special tools and machinery.</p> <p>JAGATHI KUMUDA SALLU</p>					
	Approx Qnty	RMT	12.00			
7	<p>Providing skilled manpower and adequate machinery and tools for profile polishing works which includes pre-grinding, grinding, polishing of surface, design, bullnosing, special profile, edge and corner tool works, buffing and sealant application with different types of grinding media using special tools and machinery.</p> <p>KAPOTHA</p>					
	Approx Qnty	RMT	19.00			
8	<p>Providing skilled manpower and adequate machinery and tools for profile polishing works which includes pre-grinding, grinding, polishing of surface, design, bullnosing, special profile, edge and corner tool works, buffing and sealant application with different types of grinding media using special tools and machinery.</p> <p>KAPOTHA MOOLE</p>					
	Approx Qnty	RMT	12.00			
9	<p>Providing skilled manpower and adequate machinery and tools for profile polishing works which includes pre-grinding, grinding, polishing of surface, design, bullnosing, special profile, edge and corner tool works, buffing and sealant application with different types of grinding media using special tools and machinery.</p> <p>KAPOTHA NASIKA</p>					
	Approx Qnty	RMT	12.50			

10	<p>Providing skilled manpower and adequate machinery and tools for profile designing works which includes pre-grinding, grinding, polishing of surface, design, bullnosing, special profile, edge and corner tool works, buffing and sealant application with different types of grinding media using special tools and machinery.</p> <p>KAPOTHA SALLU</p>					
	Approx Qty	RMT	12.00			
11	<p>Providing skilled manpower and adequate machinery and tools for profile polishing works which includes pre-grinding, grinding, polishing of surface, design, bullnosing, special profile, edge and corner tool works, buffing and sealant application with different types of grinding media using special tools and machinery.</p> <p>VEDIKA</p>					
	Approx Qty	RMT	25.60			
12	<p>Providing skilled manpower and adequate machinery and tools for profile polishing works which includes pre-grinding, grinding, polishing of surface, design, bullnosing, special profile, edge and corner tool works, buffing and sealant application with different types of grinding media using special tools and machinery.</p> <p>VEDIKA MOOLE</p>

13	<p>Providing skilled manpower and adequate machinery and tools for profile polishing works which includes pre-grinding, grinding, polishing of surface, design, bullnosing, special profile, edge and corner tool works, buffing and sealant application with different types of grinding media using special tools and machinery.</p> <p>VEDIKA NASIKA</p>					
	Approx Qnty	RMT	14.00			
14	<p>Providing skilled manpower and adequate machinery and tools for profile polishing works which includes pre-grinding, grinding, polishing of surface, design, bullnosing, special profile, edge and corner tool works, buffing and sealant application with different types of grinding media using special tools and machinery.</p> <p>VEDIKA SALLU</p>					
	Approx Qnty	RMT	18.00			
15	<p>Providing skilled manpower and adequate machinery and tools for profile polishing works which includes pre-grinding, grinding, polishing of surface, design, bullnosing, special profile, edge and corner tool works, buffing and sealant application with different types of grinding media using special tools and machinery.</p> <p>BHITTI PLANE</p>					
	Approx Qnty	RMT	125.00			
16	<p>Providing skilled manpower and adequate machinery and tools for profile designing works which includes pre-grinding, grinding, polishing of surface, design, bullnosing, special profile, edge and corner tool works, buffing and sealant application with different types of grinding media using special tools and machinery.</p> <p>BHITTI NASIKA</p>					
	Approx Qnty	RMT	80.00			

17	<p>Providing skilled manpower and adequate machinery and tools for profile designing works which includes pre-grinding, grinding, polishing of surface, design, bullnosing, special profile, edge and corner tool works, buffing and sealant application with different types of grinding media using special tools and machinery.</p> <p>BHITTI PANJARA SALLU</p>					
	Approx Qty	RMT	25.00			
18	<p>Providing skilled manpower and adequate machinery and tools for profile designing works which includes pre-grinding, grinding, polishing of surface, design, bullnosing, special profile, edge and corner tool works, buffing and sealant application with different types of grinding media using special tools and machinery.</p> <p>BHITTI MOOLE</p>					
	Approx Qty	RMT	69.00			
19	<p>Providing skilled manpower and adequate machinery and tools for profile designing works which includes pre-grinding, grinding, polishing of surface, design, bullnosing, special profile, edge and corner tool works, buffing and sealant application with different types of grinding media using special tools and machinery.</p> <p>PANJARA DESIGN</p>					
	Approx Qty	RMT	7.00			

20	Providing skilled manpower and adequate machinery and tools for profile designing works which includes pre-grinding, grinding, polishing of surface, design, bullnosing, special profile, edge and corner tool works, buffing and sealant application with different types of grinding media using special tools and machinery. JAGATHI					
	Approx Qnty	RFT	4.80			
21	Providing skilled manpower and adequate machinery and tools for profile designing works which includes pre-grinding, grinding, polishing of surface, design, bullnosing, special profile, edge and corner tool works, buffing and sealant application with different types of grinding media using special tools and machinery. UTTAR KAPOTHA MOOLE (KUTA CORNER)					
	Approx Qnty	RMT	6.00			
22	Providing skilled manpower and adequate machinery and tools for profile designing works which includes pre-grinding, grinding, polishing of surface, design, bullnosing, special profile, edge and corner tool works, buffing and sealant application with different types of grinding media using special tools and machinery. UTTAR KAPOTHA PADI					
	Approx Qnty	RMT	4.00			
23	Providing skilled manpower and adequate machinery and tools for profile designing works which includes pre-grinding, grinding, polishing of surface, design, bullnosing, special profile, edge and corner tool works, buffing and sealant application with different types of grinding media using special tools and machinery. UTTAR KAPOTHA DOOM KUTA					
	Approx Qnty	RMT	6.00			

24	<p>Providing skilled manpower and adequate machinery and tools for profile designing works which includes pre-grinding, grinding, polishing of surface, design, bullnosing, special profile, edge and corner tool works, buffing and sealant application with different types of grinding media using special tools and machinery.</p> <p>PANJARA SET</p>					
	Approx Qnty	RMT	18.20			
		SMT	168.00			
25	<p>Providing skilled manpower and adequate machinery and tools for profile designing works which includes pre-grinding, grinding, polishing of surface, design, bullnosing, special profile, edge and corner tool works, buffing and sealant application with different types of grinding media using special tools and machinery.</p> <p>UTTAR KAPOTHA ABOVE NASIKA</p>					
	Approx Qnty	RMT	9.45			
26	<p>Providing skilled manpower and adequate machinery and tools for profile designing works which includes pre-grinding, grinding, polishing of surface, design, bullnosing, special profile, edge and corner tool works, buffing and sealant application with different types of grinding media using special tools and machinery.</p> <p>UTTAR KAPOTHA NASIKA PADI</p>					
	Approx Qnty	RMT	9.45			

27	<p>Providing skilled manpower and adequate machinery and tools for profile designing works which includes pre-grinding, grinding, polishing of surface, design, bullnosing, special profile, edge and corner tool works, buffing and sealant application with different types of grinding media using special tools and machinery. UTTAR KAPOTHA NASIKA DOOM</p>					
	Approx Qnty	RMT	7.56			
28	<p>Providing skilled manpower and adequate machinery and tools for profile designing works which includes pre-grinding, grinding, polishing of surface, design, bullnosing, special profile, edge and corner tool works, buffing and sealant application with different types of grinding media using special tools and machinery. GANADWARA UTTAR KAPOTHA SALLU</p>					
	Approx Qnty	RMT	70.00			
29	<p>Providing skilled manpower and adequate machinery and tools for profile designing works which includes pre-grinding, grinding, polishing of surface, design, bullnosing, special profile, edge and corner tool works, buffing and sealant application with different types of grinding media using special tools and machinery. GANADWARA UTTAR KAPOTHA PADI</p>					
	Approx Qnty	RMT	70.00			
30	<p>Providing skilled manpower and adequate machinery and tools for profile designing works which includes pre-grinding, grinding, polishing of surface, design, bullnosing, special profile, edge and corner tool works, buffing and sealant application with different types of grinding media using special tools and machinery. GANADWARA UTTAR KAPOTHA DOOM</p>					
	Approx Qnty	RMT	52.00			

31	<p>Providing skilled manpower and adequate machinery and tools for profile designing works which includes pre-grinding, grinding, polishing of surface, design, bullnosing, special profile, edge and corner tool works, buffing and sealant application with different types of grinding media using special tools and machinery.</p> <p>GARBHAGUDI KAALU PLANE</p>					
	Approx Qty	RMT	13.00			

32	Providing skilled manpower and adequate machinery and tools for profile designing works which includes pre-grinding, grinding, polishing of surface, design, bullnosing, special profile, edge and corner tool works, buffing and sealant application with different types of grinding media using special tools and machinery. GARBHAGUDI SIDE KAALU					
	Approx Qnty	RMT	13.00			
33	Providing skilled manpower and adequate machinery and tools for profile designing works which includes pre-grinding, grinding, polishing of surface, design, bullnosing, special profile, edge and corner tool works, buffing and sealant application with different types of grinding media using special tools and machinery. GARBHAGUDI KAALU PLANE					
	Approx Qnty	RMT	3.40			
34	Providing skilled manpower and adequate machinery and tools for profile polishing works which includes pre-grinding, grinding, polishing of surface, design, bullnosing, special profile, edge and corner tool works, buffing and sealant application with different types of grinding media using special tools and machinery. TOP CHEJJA					
	Approx Qnty	RMT	33.00
